COMMUNITY CRIME PREVENTION MEETING

"C-CAT" Career Criminal Apprehension Team

Wednesday
August 16, 2006
7:00 p.m.

Long Beach Water Department
1800 East Wardlow Road

The Long Beach Police Department's Career Criminal Apprehension Team is a dedicated team of officers that is responsible for bringing many violent offenders to justice.

After committing a violent crime, some suspects will attempt to elude capture by hiding out or fleeing the area. The detectives working these cases are able to concentrate on their caseload while C-CAT takes on the time-consuming and dangerous job of hunting down the fugitive. This involves investigating tips, and following up on clues related to the suspect's whereabouts, often-times taking them out of the city. They have extradited suspects from other states, and sometimes other countries. Come out and learn more about how this team is taking violent offenders off the streets of our city!

Our monthly Community Crime Prevention Meetings are hosted by the Long Beach Police Department's Crime Prevention Unit. They are open to everyone in the community.
